OUR VISION

To be recognised as a leader in the field of distance education and supported learning by clients, regulatory bodies and employees.

WELCOME TO OXBRIDGE ACADEMY

WHY STUDY WITH US?

Oxbridge Academy is an established private distance learning college based in South Africa. We have now expanded our offering into Kenya to offer students the opportunity to study a wide range of courses from home, via distance learning. Our distance learning model makes it possible for you to gain job-relevant skills by studying your course on a part-time basis from home.

WHY OXBRIDGE ACADEMY?

Here are just a few of the reasons why Oxbridge Academy is a great choice when you want to further your studies:

- You can study from home
- You can access all your study material on the online Student Portal
- You can enrol – and start studying – at any time of the year
- You will receive academic support from a qualified tutor
- You can pay for your course in affordable monthly instalments

WHAT MAKES US DIFFERENT?

- We are committed to '*effortless excellence in education.*'
- We provide you with a free 'Distance Learning Survival Guide' when you register for your course.
- Our courses are constantly updated, and are designed to equip you with workplace-relevant skills.
- Our study material is specifically designed to meet your needs as a distance learning student.
- Our study material is provided in a user-friendly format, is designed to meet international standards, and is included in the course fees.
- Our industry-expert tutors are highly qualified, and are available to provide you with academic support via email.
- Our fees are affordable, and can be paid in interest-free monthly instalments.

ENTRY REQUIREMENTS

To study with Oxbridge Academy, you need to meet the following minimum entry requirements:

- You need to be at least 16 years old.
- You must be able to read and complete assignments in English.
- You must have access to the internet.

There are many courses that you can study even if you haven't completed school. For some courses, though, additional entry requirements apply. Please have a look at the course information pages in this brochure to see the full entry requirements for each course.

SHORT LEARNING PROGRAMMES

Short learning programmes give you the opportunity to study your field of interest in a manner that is quick, easy, and affordable. With Oxbridge Academy, you can choose from a wide range of short learning programmes that you can study on a full-time or part-time basis from home.

Oxbridge Academy's short learning programmes are valuable avenues of training for those who don't have the time, money, or need to study towards a full qualification.

WHAT IS A SHORT LEARNING PROGRAMME?

A short learning programme is a type of study programme that is short in duration. This type of programme can take anywhere from a few hours to a few months to complete. At Oxbridge Academy, most of our short learning programmes can be completed in 6 – 12 months.

However, because your study material is available online on the Student Portal, you can complete them in much less time than that, or you can take a little longer to finish. It all depends on your own pace of study.
